

Orienteering

Activity information

01

Program: Earth

Program section "Earth" focuses on hiking, biking and other bipedal adventures.

27/08/2015

Test your navigational skills in a fun quest of orienteering. You borrow a map with instructions from the Service Center, and then you're off! Can you find all the checkpoints on the map? Great family activity – you can adjust your mission depending on participants' age and the time you want to allow.

The activity is ...

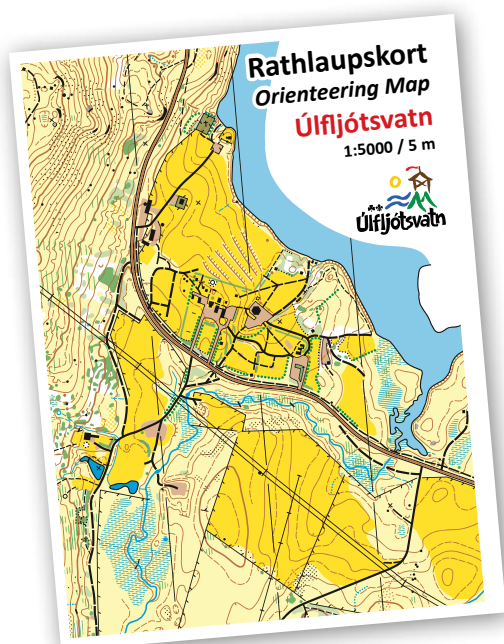

- ... Free. No rentals needed.
- ... Available from May to August
- ... Available from September to April
- ... Run at the center
- ... Run by guests (self-guided)
- ... Child-friendly and suitable for young participants

About the activity:

There are 15 orienteering posts around Úlfjótsvatn.

Each one of them is marked on a map the participants borrow.

Depending on what kind of activity is run, participants try to visit as many posts as they can in a set amount of time, randomly, in a specific order and by other predetermined requirements.
