

Mini-golf

Activity information

03

Program: Earth

Program section "Earth" focuses on hiking, biking and other bipedal adventures.

Also known at our center as "short distance golf", mini-golf is a great activity for families, friends or couples. You can bring your own club and ball, or rent a set from our Service Center.

The activity is ...

-  ... Free. But a set of golf-club and ball can be rented at the center
-  ... Available from May to August
-  ... Run at the center
-  ... Run by guests (self-guided)
-  ... Child-friendly and suitable for young participants

About the activity:

There is a nine hole mini-golf course on-site, next to the climbing tower.

The Scottish Pentland Braveheart Explorer Unit upgraded the course and breathed a new life into it, as a service project in 2015.
