

Overnight hike

Activity information

08

Program: Earth

Program section "Earth" focuses on hiking, biking and other bipedal adventures.

27/08/2015

Starts out the same way as the "Hiking trail" hike, by walking 15 km from Úlfjótsvatn to Reykjadalur valley, where you can take a bath in an all-natural hot stream. After the bath we hike 5 km to a nearby scout hut where we spend the night. Next day we'll hike 8 km to the town of Hveragerði where a coach will pick us up.

The activity is ...

- ... Available from May to August
- ... Including a coach ride
- ... TWO whole day's worth of fun
- ... Run by a member of our staff
- ... Well suited for those with some level of fitness and mobility

About the activity:

Overall length: Approx. 28 km (17,5 miles).

This is a demanding hike, with different terrains and some steep hills.

Departure from Úlfjótsvatn is at 9.00 am.

A guide from our staff will lead the way. Should you require more guides, they can be provided at additional cost. Please add this request when booking.

First day walk: Approx. 10-12 hours.

Second day walk: Approx. 2,5-3 hours.

You'll need hiking boots, warm and waterproof outdoor clothing, packed lunch, swimwear, towel, water bottle.

Sleeping bag and small overnight bag will be transported to and from the hut.

You will arrive at Úlfjótsvatn again in time for afternoon snack on day 2.

Minimum participant age is 13.
Maximum number of participants is 25.
For bigger groups, we recommend multiple departures on separate days.
