28/10/2015

Traveling with young ones? You will be able to keep them active for hours, and at the same time have a good overview. Although some teenagers and adults get just as much of a kick out of this as the smaller ones, we can also arrange for other inflatable activities, like bubble-balls, life-size foosball and more.

The activity is ...

- ... Available from May to August
- ... Run at the center
- ... Run by our staff
- ... Child-friendly and suitable for young participants

About the activity:

Keep in mind that this activity is weather-dependant and that we have several castles that rotate in and out of our center. Your castle might not look like the one in the photo above. Please request further information.

Please book in advance.
