

Team Building

Activity information

33

Program: Fire

Program section "Fire" focuses on extreme sports, traditional sports and crafts and mixed adventures.

Why not make your group an even better team by taking part in some fun teambuilding activities run by the center staff? Co-operation and communication is practised through fun games and simple tasks. This activity is popular with school groups, scout groups and corporate groups of all sizes.

The activity is ...

... Available from May to August

... Available from September to April

... Run at the center

... Run by our staff

About the activity:

The team-building activities are mostly fun games and activities the team has to solve. Many of the games involve a competition between two teams.

You can choose to have team-building for one, two or three hours, and you can mix it in with other program (i.e. climbing, archery and/or boats).

An hourly rate applies, per person.

As a stand-alone activity, we recommend groups of over 40 to sign up for more than one hour, to keep team size from being too big.

You will need to dress according to weather.

Included are instructors, equipment and debriefing (as much or little as the group leader wants.)
