

Program: Wind

Program section "Wind" focuses on guided adventures by coach, boat or horse.

20/04/2016

A trip to a 364 meter lava tube formed some 9000 years ago. A guided tour through the cave, which was created by running hot lava.

Explore the completely different world of the underground and see how the lava has made it's mark on the walls and roof of the cave.

You can choose between two different tours: Caving as a part of the Golden Circle tour, or caving and Fontana geothermal Spa.

The activity is ...

- ... Available from May to August
- ... Including a coach ride
- ... A half day's worth of fun
- ... Run by a guide
- ... Well suited for those with some level of fitness and mobility

About the activity:

You will need to dress in durable clothing as some scrambling may be needed. Bring your camera and packed lunch.

Includes a coach fare and guide, as well as helmets and lights.

Activity can be done outside the summer season upon special request, depending on conditions.
